MOTION

I MOVE that the Transportation Committee report relative to an appeal of a Los Angeles Department of Transportation (LADOT) determination regarding a mixed-use residential and commercial project pursuant to the West Los Angeles Transportation Improvement and Mitigation Specific Plan (WLA TIMP), Item # 19 on today's Council agenda (C.F. 18-0468), BE AMENDED to deny the applicant's appeal and find that the LADOT staff appropriately interpreted the WLA TIMP Ordinance when processing the building permit application for the Project, in lieu of the recommendations in the report.
