Pursuant to motion (O'Farrell-Rodriguez) requesting the Los Angeles Department of Water and Power (LADWP) report to the Los Angeles City Council with information identifying the inventory of all single stall restrooms and the plan to implement Assembly Bill (AB) 1732 (Ting) which was approved by the State of California in September 2016, and required all single-user toilet facilities be identified as all-gender facilities as of March 1, 2017.

LADWP is in compliance with AB 1732, having identified and completed installation of one all-gender restroom identification sign in the John Ferraro Office Building.
