Such extensions of time may be conditioned upon a construction schedule to be specified by the City Engineer, and/or a revision of the Improvement Security based on revised estimated improvement costs, and/or revision of the plans, profiles and specifications used for the construction and installation of the required improvements to comply with the standards and specifications of the BOARD in effect at the time such extension of time is granted.

TWELVE: The SUBDIVIDER further agrees to maintain the aforesaid Improvement and Payment Security in full force and effect, during the term of this contract, including any extensions of time as may be granted thereto.
