

## Communication from Public

**Name:** Matt Fisher

**Date Submitted:** 08/21/2019 08:11 AM

**Council File No:** 18-0510

**Comments for Public Posting:** I encourage you to sign the lease with PATH and get this place open ASAP! Feel free to build more and do everything possible to fix this. Please stop allowing habitual litigants the right to file suit on everything you do and prevent the progress we desperately need.
