Letter of Endorsement for LAPD Chief Michel Moore

The Los Angeles Fire Department Chief Officers Association (COA) is proud to endorse LAPD First Assistant Chief Michel Moore for Chief of Police. Our association was founded in 1955 and is one of the longest serving Fire Department Command Officers labor organization in the United States. The members on our Board of Directors have worked closely with Chief Moore for more than 30 years.

Chief Moore is a leader who exudes character, competence, and compassion. His demonstrated performance and approach to community policing has had a positive impact on the City of Los Angeles. We can speak first hand about his leadership on scene of large-scale incidents and his partnership and support on many of the city's largest wildfires. Mike has decades of executive operational experience and a working knowledge of the Incident Command System. We ask that the Los Angeles City Council unanimously confirm Michel Moore as the next Los Angeles Chief of Police.

The COA Executive Board.
