

ADOPTED BUDGET RECOMMENDATION

Instruct the Chief Legislative Analyst to report to the Energy, Climate Change, and Environmental Justice Committee on the Climate Change Emergency Mobilization Program within a new Environmental Affairs Department (C.F. 18-0054), including how to establish such a department and what other cities are doing in this regard. The report should identify potential funding sources for a new department, including a potential shift in funding from other areas, such as the Sustainability Coordinators in each department.
