Dear City Council Members & Mayor Garcetti --

In the area of crime and public safety the city of Los Angeles is headed in the wrong direction. East Valley neighborhoods are facing a wide-range of issues that require the greater resources and attention of the LAPD.

Therefore, in the section labeled Los Angeles Police Protective League (LAPPL), I strongly support the work of the Neighborhood Council Budget Advocates and their 2018-19 budget recommendations. **As I agree with their following recommendations, my support should be filed under "Communication from Public" in Council file 18-0600.**

In advance of the 2018-19 fiscal city budget, I support the Neighborhood Council's Budget Advocates proposed recommendations to protect existing officers, improve their working environment and

provide maximum benefit to the people whose taxes pay police salaries. The Budget Advocates recommends the City work with the LAPD on the following:

- Raise the recruitment budget to \$500,000.00 and give authority for greater outreach for candidates.
- Raise police salaries to discourage sworn officers from quitting to work in neighboring jurisdictions where the pay is better.
- Increase the sworn personnel to 12,500 as soon as practical.
- Mandate a minimum number of sworn personnel for each division.
- Make the LAPD's unused budgeted funds available for officer overtime instead of returning them to the General Fund.
- Hire civilians to cover all non-essential desk jobs, to free up officers for policing.

Upon approval of 2018-19 budget, we immediately need greater resources directed to the North Hollywood and Van Nuys police divisions.

We demand action.

Thank you

Dear City Council Members & Mayor Garcetti,

In the area of crime and public safety the city of Los Angeles is headed in the wrong direction. East Valley neighborhoods are facing a wide-range of issues that require the greater resources and attention of the LAPD.

Therefore, in the section labeled Los Angeles Police Protective League (LAPPL), I strongly support the work of the Neighborhood Council Budget Advocates and their 2018-19 budget recommendations. As I agree with their following recommendations, my support should be filed under "Communication from Public" in Council file 18-0600.

In advance of the 2018-19 fiscal city budget, I support the Neighborhood Council's Budget Advocates proposed recommendations to protect existing officers, improve their working environment and provide maximum benefit to the people whose taxes pay police salaries. The Budget Advocates recommends the City work with the LAPD on the following:

- Raise the recruitment budget to \$500,000.00 and give authority for greater outreach for candidates.
- Raise police salaries to discourage sworn officers from quitting to work in neighboring jurisdictions where the pay is better.
- Increase the sworn personnel to 12,500 as soon as practical.
- Mandate a minimum number of sworn personnel for each division.
- Make the LAPD's unused budgeted funds available for officer overtime instead of returning them to the General Fund.
- Hire civilians to cover all non-essential desk jobs, to free up officers for policing.

Upon approval of 2018-19 budget, we immediately need greater resources directed to the North Hollywood and Van Nuys

police divisions.

We demand action.

Thank you
Kelly Bock

Dear Councilmembers. -

I am writing to thank you for supporting Councilmember Ryu's motion opposing SB827.

I am an architect who has worked much of my career on affordable housing projects, and I am an enthusiastic supporter of public transit, so I am very concerned about SB827. Though it is obvious that we need more housing in Los Angeles, the idea of making it easier for for-profit developers to decimate neighborhoods to create it is not the right way to go. What we need is housing that is "affordable", and that is certainly not what for-profit developers are providing. I support the Alliance for Community Transit - Los Angeles (ACT-LA) and other community groups who are working to maintain existing and create new affordable housing in Los Angeles.

Thank you for supporting our communities in opposing SB 827.

Dear City Council Members & Mayor Garcetti --

In the area of crime and public safety the city of Los Angeles is headed in the wrong direction. East Valley neighborhoods are facing a wide-range of issues that require the greater resources and attention of the LAPD. But there aren't enough LAPD officers to address these problems.

Therefore, in the section labeled Los Angeles Police Protective League (LAPPL), I strongly support the work of the Neighborhood Council Budget Advocates and their 2018-19 budget recommendations. **As I agree with their following recommendations, my support should be filed under "Communication from Public" in Council file 18-0600.**
