**Comments for Public Posting:** My name is Sarah Hronksy and I am the Senior Rabbi at Temple Beth Hillel located in Valley Village, and I am a resident of Sherman Oaks. I am writing to inquire why this measure has appeared to stall out. We know that Tenants who have counsel avoid homelessness at a rate of over 70%. Once a person is on the street the amount of trauma suffered can be extremely detrimental to rehousing in the future. As a proven and cost effective way of keeping people in homes. Please consider moving this action forward. It is clearly supported by councilmembers and by constituents. Let us work together to decrease the ever increasing rise in homelessness in our city of angels. Thank you
