Fiscal Impact Statement: The CAO reports that the recommendations in its report create a projected gap of \$4,617,905 in Fiscal Year (FY) 2019-20 in construction funds reserved for A Bridge Home Projects. Moreover, funding for services at A Bridge Home sites in its report will need to be identified for operating costs beyond June 30, 2021. Funds for services at \$60/bed/night will also have to be identified for all additional A Bridge Home sites. If all sites currently under review are deemed feasible and approved as A Bridge Home facilities, service funding for 645 additional beds will be required. The CAO is working with the Mayor's Office to

identify additional construction and services funds for A Bridge Home projects, including a second HEAP allocation from the State of California and/or additional funding from Los Angeles County Measure H.

Community Impact Statement: None submitted.

SUMMARY

At a regular meeting held on June 10, 2019, the Budget and Finance Committee considered a CAO report and a Homelessness and Poverty Committee report relative to the HEAP - First Quarterly Expenditure Report, and funding recommendations.

During consideration, the CAO and the CLA presented their reports regarding the HEAP - First Quarterly Expenditure Report, and answered the Committee's questions regarding the recommendations above. Additionally, the Committee requested that any future reports regarding this matter include information about other municipalities and their strategies to address homelessness, a comparative analysis of the City and then largest municipalities of the costs associated with housing, additional funding opportunities for programs addressing homelessness, and the benefits from the executing of the current programs.

After providing an opportunity for public comment, the Budget and Finance Committee concurred with the Homelessness and Poverty Committee report dated May 15, 2019, received and filed the CLA report, and approved the amendments as submitted by the CAO during the meeting. This matter is now forwarded to Council for its consideration.

Respectfully Submitted,

BUDGET AND FINANCE COMMITTEE
