**Council File#** CF18-0634-S1

I wanted to provide my input as a home owner in the neighborhood near the future NoHo West. I have been part of the meeting since I moved to the area in early 2000's.

I strongly oppose any variances specifically having digital billboards in the area. They are indeed distracting and clearly do not fit the neighborhood.

Thank you for your support of making our neighborhoods great and not cave to developers. Joanna Belson (Carpenter Ave North Hollywood)

To the Clerk of the Planning and Land Use Management Committee and John Ferraro in the Council Chamber:

I am a homeowner in the Valley Village neighborhood nearby to Oxnard and Laurel Canyon Blvd.

I am extremely concerned about the NoHo West Developers request to amend the signage along the 170 Freeway.

I want to communicate my objection to the developers ongoing proposals to revise the already agreed upon restrictions to the signage along the 170.

Please add my name and objection to this situation:

Please count me in as another homeowner deeply opposed to ANY signage amendment. The digital signage is dangerously distracting as well as unsightly. Please stand by your original vote.
