I am extremely concerned with the size of the signs planned for the businesses being constructed east of the 170 freeway, off of Oxnard and Laurel Canyon Blvd, North Hollywood. **I live nearby and will be affected negatively by the lights and constant changes of lights through the night.**

I am also concerned that drivers will be distracted and there will be many accidents because of these signs. Please do not permit them to be installed. **These businesses should be nice to their neighbors**, we are many of those who will be visiting the site.

Thank you for your time,  
Annabelle Whettam
