Regarding:

Council File# **18-0651-S2**

Related Files:

Council File# 18-0651-S3

Council File# 18-0651

Council File# 18-0651-S1

Dear City Clerk,

Please enter this correspondence into each of the above referenced and related Council Files.

This letter also is to confirm that despite the existence of Council File# 18-0651-S2, 18-0651-S3 and Council File# 18-0651-S1, no action has been taken and that Citizens for a Better Wilmington continues to assert the project located at 828 Eubank Avenue faces insurmountable problems.

We also OBJECT to the separation of this council file as correct record keeping is the utmost of importance. Currently there are three council files that have been created (18-0651-S1, 18-0651-S2 and 18-0651-S3) that were introduced on date there was no meeting, with no motion and no voting.

In an effort to make sure all records are accurate, easily accessible and transparent it is in the best interest of the public to keep this as one council file under the number 18-0651

Sincerely,

Citizens for a Better Wilmington
