TO CITY CLERK FOR PLACEMENT ON NEXT
REGULAR COUNCIL AGENDA TO BE POSTED

MOTION

#56

On August 24, 2015, the Department of Transportation entered into a contract with Kounkuey Design Initiative, Incorporated for a one-year contract to formalize a Citywide Play Streets Program. In December 2016, the contract was extended by two years from August 24, 2016 to August 24, 2018 due to unforeseen circumstances that delayed the issuance of a notice to proceed to the contractor. The Department is now requesting a one-year extension that will allow the City to continue work with the consultant to develop a citywide program that may empower communities to enact temporary, car-free street spaces. No additional funding is required.

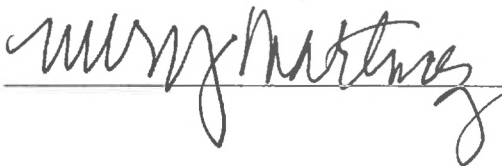

I THEREFORE MOVE that the Council authorize the Department of Transportation to execute a contract extension with Kounkuey Design Initiative, Incorporated (C-126146), under the current terms and conditions, for up to one year, to complete the Citywide Play Streets Program.
