

CONDITIONS OF APPROVAL

1. **Site Development.** Except as modified herein, the project shall be in substantial conformance with the plans and materials submitted by the applicant, stamped Exhibit "A," and attached to the subject case file. No change to the plans will be made without prior review by the Department of City Planning, Central Project Planning Division, and written approval by the Director of Planning. Each change shall be identified and justified in writing. Minor deviations may be allowed in order to comply with the provisions of the Municipal Code, the project conditions, or the project permit authorization.
2. **Use.** The project is allowed an ancillary surface parking lot for use by the Hollywood Presbyterian Medical Center.
3. **Parking.** The project shall maintain 20 automobile parking spaces on site.
4. **Street Trees.** Street trees must be installed and maintained prior to issuance of the building permit or suitably guaranteed through a bond and all improvements must be completed prior to the issuance of a Certificate of Occupancy.
 - a. Six (6), 36-inch box shade trees shall be provided in the public right-of-way along Lyman Place, subject to the Bureau of Street Services, Urban Forestry Division requirements.
 - b. One (1), 36-inch box shade trees shall be provided in the public right-of-way along Fountain Avenue, subject to the Bureau of Street Services, Urban Forestry Division requirements.
 - c. A tree well cover shall be provided for each new and reused street tree in the project area, subject to the Department of Street Services, Urban Forestry Division requirements.
 - d. Tree removal and replacement shall be conducted consistent with the Department of Street Services, Urban Forestry Division requirements.
 - e. The applicant shall be responsible for new street tree planting and pay fees for clerical, inspection, and maintenance per the Los Angeles Municipal Code Section 62.176 for each tree.
 - f. An automatic irrigation system shall be provided.

Note: Contact the Urban Forestry Division, Subdivision staff, at (213) 847-3088 for site inspection prior to any street tree work.
5. **Utilities.** All utilities shall be placed underground in the event the project proposes new utilities. If underground service is not currently available, then provisions shall be made for future underground service.
6. **Trash and Recycling Areas.** All trash storage bins shall be located within a gated, covered enclosure constructed of materials compatible with the exterior wall materials of the building. Trash enclosures shall have a minimum height of six feet and have a separate area for recyclable materials.

7. **On-Site Lighting.** Prior to issuance of a Certificate of Occupancy, the applicant shall install onsite lighting along all vehicular and pedestrian access ways. Installed lighting shall provide $\frac{3}{4}$ foot candle of flood lighting intensity as measured from the ground. All on-site lighting shall be directed away from adjacent properties. This condition shall not preclude the installation of low-level security lighting.
 - a. **Lighting Shielded.** Sources of illumination shall be shielded from casting light higher than 15 degrees below the horizontal plane as measured from the light source and shall not cast light directly into adjacent residential windows.
 - b. **Light Mounting Height.** A maximum mounting height of light sources for ground level illumination shall be 14 feet, measured from the finished grade of the area to be lit.
 - c. **Lamp Color.** Color corrected ("white") high pressure sodium (HPS), color corrected fluorescent (2,700-3,000 degrees K), metal halide, or incandescent lamps shall be used for ground level illumination. Standard "peach" high pressure sodium, low pressure sodium, standard mercury vapor, and cool white fluorescent shall not be used for ground floor illumination.
8. **Hours of Operation.** All parking lot cleaning activities, trash collections, and deliveries to and from a building shall take place between the hours of 7:00 a.m. to 8:00 p.m., Monday through Friday and 10:00 a.m. to 4:00 p.m. on Saturday and Sunday.
9. **Future Signage.** No signage has been proposed as part of this application. All future signs shall be reviewed by Central Project Planning staff for compliance with the Vermont/Western Station Neighborhood Area Plan signage guidelines and regulations. Filing for a Project Permit shall not be necessary unless a Project Permit Adjustment or Exception is required. Any pole, roof or off-site sign, any sign containing flashing, mechanical or strobe lights are prohibited. Canned signs should not be used.

Administrative Conditions

10. **Final Plans.** Prior to the issuance of any building permits for the project by the Department of Building and Safety, the applicant shall submit all final construction plans that are awaiting issuance of a building permit by the Department of Building and Safety for final review and approval by the Department of City Planning. All plans that are awaiting issuance of a building permit by the Department of Building and Safety shall be stamped by Department of City Planning. A copy of the Plans Approved, supplied by the applicant, shall be retained in the subject case file.
11. **Notations on Plans.** Plans submitted to the Department of Building and Safety, for the purpose of processing a building permit application shall include all of the Conditions of Approval herein attached as a cover sheet, and shall include any modifications or notations required herein.
12. **Approval, Verification and Submittals.** Copies of any approvals, guarantees or verification of consultations, review of approval, plans, etc., as may be required by the subject conditions, shall be provided to the Department of City Planning prior to clearance of any building permits, for placement in the subject file.

13. **Code Compliance.** Use, area, height, and yard regulations of the zone classification of the Subject Property shall be complied with, except where granted conditions differ herein.
14. **Department of Building and Safety.** The granting of this determination by the Director of Planning does not in any way indicate full compliance with applicable provisions of the Los Angeles Municipal Code Chapter IX (Building Code). Any corrections and/or modifications to plans made subsequent to this determination by a Department of Building and Safety Plan Check Engineer that affect any part of the exterior design or appearance of the project as approved by the Director, and which are deemed necessary by the Department of Building and Safety for Building Code compliance, shall require a referral of the revised plans back to the Department of City Planning for additional review and sign-off prior to the issuance of any permit in connection with those plans.
15. **Enforcement.** Compliance with these conditions and the intent of these conditions shall be to the satisfaction of the Department of City Planning.
16. **Expiration.** In the event that this grant is not utilized within three years of its effective date (the day following the last day that an appeal may be filed), the grant shall be considered null and void. Issuance of a building permit, and the initiation of, and diligent continuation of, construction activity shall constitute utilization for the purposes of this grant.
17. Prior to the issuance of any permits relative to this matter, a covenant acknowledging and agreeing to comply with all the terms and conditions established herein shall be recorded in the County Recorder's Office. The agreement (standard master covenant and agreement form CP-6770) shall run with the land and shall be binding on any subsequent owners, heirs or assigns. The agreement with the conditions attached must be submitted to the Development Services Center for approval before being recorded. After recordation, a certified copy bearing the Recorder's number and date shall be provided to the Development Services Center at the time of Condition Clearance for attachment to the subject case file.
18. **Indemnification and Reimbursement of Litigation Costs.**

applicant shall do all of the following:

 - (i) Defend, indemnify and hold harmless the City from any and all actions against the City relating to or arising out of, in whole or in part, the City's processing and approval of this entitlement, including but not limited to, an action to attack, challenge, set aside, void, or otherwise modify or annul the approval of the entitlement, the environmental review of the entitlement, or the approval of subsequent permit decisions, or to claim personal property damage, including from inverse condemnation or any other constitutional claim.
 - (ii) Reimburse the City for any and all costs incurred in defense of an action related to or arising out of, in whole or in part, the City's processing and approval of the entitlement, including but not limited to payment of all court costs and attorney's fees, costs of any judgments or awards against the City (including an award of attorney's fees), damages, and/or settlement costs.
 - (iii) Submit an initial deposit for the City's litigation costs to the City within 10 days' notice of the City tendering defense to the applicant and requesting a deposit. The initial deposit shall be in an amount set by the City Attorney's Office, in its sole discretion, based on the nature and scope of action, but in no event shall the initial deposit be less than \$50,000. The City's failure to notice or collect the deposit does not relieve the applicant from responsibility to reimburse the City pursuant to the requirement in paragraph (ii).

- (iv) Submit supplemental deposits upon notice by the City. Supplemental deposits may be required in an increased amount from the initial deposit if found necessary by the City to protect the City's interests. The City's failure to notice or collect the deposit does not relieve the applicant from responsibility to reimburse the City pursuant to the requirement in paragraph (ii).
- (v) If the City determines it necessary to protect the City's interest, execute an indemnity and reimbursement agreement with the City under terms consistent with the requirements of this condition.

The City shall notify the applicant within a reasonable period of time of its receipt of any action and the City shall cooperate in the defense. If the City fails to notify the applicant of any claim, action, or proceeding in a reasonable time, or if the City fails to reasonably cooperate in the defense, the applicant shall not thereafter be responsible to defend, indemnify or hold harmless the City.

The City shall have the sole right to choose its counsel, including the City Attorney's office or outside counsel. At its sole discretion, the City may participate at its own expense in the defense of any action, but such participation shall not relieve the applicant of any obligation imposed by this condition. In the event the applicant fails to comply with this condition, in whole or in part, the City may withdraw its defense of the action, void its approval of the entitlement, or take any other action. The City retains the right to make all decisions with respect to its representations in any legal proceeding, including its inherent right to abandon or settle litigation.

For purposes of this condition, the following definitions apply:

"City" shall be defined to include the City, its agents, officers, boards, commissions, committees, employees, and volunteers.

"Action" shall be defined to include suits, proceedings (including those held under alternative dispute resolution procedures), claims, or lawsuits. Actions includes actions, as defined herein, alleging failure to comply with any federal, state or local law.

Nothing in the definitions included in this paragraph are intended to limit the rights of the City or the obligations of the applicant otherwise created by this condition.
