

MOTION

TO CITY CLERK FOR PLACEMENT ON NEXT  
REGULAR COUNCIL AGENDA TO BE POSTED

#53

Griffith Park is one of the nation's largest urban parks, spanning over 4,200 acres of both natural covered terrain and landscaped parkland with picnic areas. Griffith Park offers numerous family attractions, educational and cultural opportunities, miles of hiking and horseback trails, and provides recreational space for park visitors. Griffith Park's popularity attracts over 10 million annual visitors, many of whom bring, or purchase, beverages and food while touring the park for physical activity and recreational purposes. While some recycling activities occur at particular locations within the park, such as the Greek Theatre and the Los Angeles Zoo, the vast majority of the non-ticketed park areas do not contain recycling receptacles.

On July 17, 2018, the California Department of Resources Recycling and Recovery (CalRecycle) launched the Beverage Container Recycling Grant Program. On August 7, 2018, the Department of Recreation and Parks (RAP) applied for this grant program to prepare and implement a pilot beverage container recycling program in Griffith Park. If awarded, funding provided by the Beverage Container Recycling Grant Program would enable RAP to operate a recycling pilot program at various high foot-traffic areas of Griffith Park to provide the City with a better understanding of overall recycling service needs within parks and to offer park visitors the opportunity to recycle in areas of Griffith Park that currently do not have recycling receptacles.

I THEREFORE MOVE that the Department of Recreation and Parks be requested / authorized to submit a grant application to the California Department of Resources Recycling and Recovery (CalRecycle) for the Beverage Container Recycling Grant Program to be used for the Griffith Park Pilot Recycling Program; that the attached Resolution required by the State granting agency be adopted, which authorizes the City of Los Angeles to apply for this grant and authorizes the Department of Recreation and Parks to conduct all negotiations, execute and submit all documents, including, but not limited to grant applications, agreements, amendments, payment requests, and all other action pertaining to this grant in order to effectuate the participation in the Fiscal Year 2019-21 grant cycle.

I FURTHER MOVE that upon award and acceptance of the grant, the Department of Recreation and Parks be requested to report with the details of how this grant will be implemented.
