Los Angeles, CA 90012

Dear Committee Members:

Please let this letter serve as support for Item number 18-0767 authorizing LADOT to reserve eight (8) spaces at the Hollywood & Highland parking facility, at no charge, exclusive to the Hollywood Business Improvement District. This motion is critical for their personnel who provide much needed services in the Hollywood Entertainment District, which positively impacts the quality of life issues for residents and businesses alike. It is our hope the council takes a positive and pro-active approach to this issue and approves the motion.

Sincerely,

Ed Murphy

Vice President/General Manager
