SUMMARY

On August 15, 2018, Council considered Motion (O'Farrell – Martinez) relative to reserving eight parking spaces at the Hollywood and Highland parking facility, at no charge, for use by the Hollywood BID's security services personnel. Motion states that in order to enhance security services provided by the Hollywood Property Owners Alliance, the City has been requested to set aside eight parking spaces in the Hollywood and Highland parking structure, free of charge, for the Hollywood Entertainment District's security personnel. Motion movers believe that this will enhance security in the area, and not reduce public parking availability at the facility nor negatively impact parking meter revenue to the City. Motion recommends that Council authorize LADOT to set aside the requested parking spaces. Council referred Motion to the Transportation and Budget and Finance Committees for consideration.

At its meeting held August 22, 2018, the Transportation Committee recommended that Council approve Motion to provide eight free parking spaces at the Hollywood and Highland parking facility for use by the Hollywood BID's security services personnel.

Respectfully Submitted,
