

MOTION

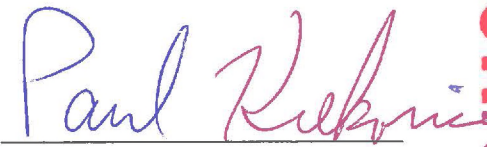

The Bureau of Street Services (BSS) employs civil service and hiring hall staff to complete its work programs. Due to continued high vacancy rates the Bureau is facing, BSS has been employing additional hiring hall staff to supplement its existing workforce while permanent civil service positions are being filled. These additional hiring hall staff are supplementing crews working on a variety of projects including Complete Streets, Vision Zero concrete work, and the Crenshaw Boulevard Sidewalk and Curb Restoration Project to commence later this year.

As a result of an increase in hiring hall staff, BSS requests that additional funds be moved to its Hiring Hall salaries account to cover an increase in hiring hall payroll expenditures.

I THEREFORE MOVE, subject to the approval of the Mayor, that the Controller be authorized to transfer \$450,000 from Bureau of Street Services Fund 100/86, Account 001010, Salaries General to Bureau of Street Services Fund 100/86, Account 001100, Hiring Hall Salaries.

I FURTHER MOVE that the Council authorize and instruct the CAO and Controller to take any necessary actions and make any technical corrections to the above instructions in order to effectuate the intent of this motion.
