

**ORDINANCE NO. \_\_\_\_\_**

An ordinance adding Article 26 to Chapter 1, Division 10 of the Los Angeles Administrative Code requiring a prospective contractor of the City to disclose all contracts with or sponsorship of the National Rifle Association.

**WHEREAS**, since the Sandy Hook Elementary School shooting in December 2012, there have been more than 1,600 mass shootings in the United States. In October 2017, a total of 58 people were killed and 489 wounded in an outdoor concert in Las Vegas;

**WHEREAS**, on average, 100 Americans are killed with guns on a daily basis, while hundreds more are injured. In 2018 alone, there have been more than 300 mass shooting incidents. On October 27, 2018, 11 people were killed and 6 others wounded in a shooting inside a synagogue in Pittsburg, Pennsylvania. The most recent local mass shooting occurred on November 7, 2018, inside a Thousand Oaks' restaurant where 12 people were shot and killed;

**WHEREAS**, the National Rifle Association (NRA) has sought to block sensible gun safety reform at every level of government across the nation. The NRA's influence is so pervasive in Congress that no national gun safety legislation has been enacted since the 1994 assault weapons ban, a ban that expired in 2004;

**WHEREAS**, the NRA has five million members, 69% of whom support sensible gun control regulation. The NRA's leadership, however, ignores its members' perspective by continuing to lobby for easy access to firearms, no background checks, no limits on magazine capacity, no regulation of assault weapons, no mandatory training, and no age restrictions;

**WHEREAS**, in 2015, the NRA collected \$163 million in membership dues. In return for membership in the NRA, members receive an array of benefits and corporate discounts to products and services including: home, car, health, and life insurance; travel discounts, including vehicle rentals and hotel stays; online privacy and personal data protection services; club memberships; and access to an exclusive medical network and global security services;

**WHEREAS**, the benefits and discounts the NRA arranges for its membership entices new members to join and existing members to renew their NRA membership. The millions of dollars generated from the new and renewed membership dues fund the NRA agenda of opposing legislative efforts throughout the country to adopt sensible gun regulations. The membership dues also finance the NRA's nationwide effort to repeal existing gun control measures and to diminish local and state government's ability to adopt sensible gun legislation;

**WHEREAS**, in the aftermath of the synagogue shooting, the Pittsburg City Council is now considering adopting gun control measures, including a measure to

allow the courts to take guns away temporarily from individuals deemed to pose a significant danger to themselves or others. Although the measures have yet to be adopted, the NRA has declared that it will sue Pittsburg to try and stop its adoption of this and other sensible gun safety measures;

**WHEREAS**, even with the increasing number of mass shootings throughout the country, the NRA leadership, with the financial support of its dues paying members, continues to lobby against gun safety regulations. For example, the NRA leadership continues to resist efforts by state and local governments to require mental health screenings for firearm purchases, even though between 70-80% of NRA members support universal background checks;

**WHEREAS**, the City of Los Angeles has enacted ordinances and adopted positions that promote gun safety and sensible gun ownership. The City's residents deserve to know if the City's public funds are spent on contractors that have contractual or sponsorship ties with the NRA. Public funds provided to such contractors undermines the City's efforts to legislate and promote gun safety; and

**WHEREAS**, this ordinance requires those seeking to do business with the City to fully and accurately disclose any and all contracts with or sponsorship of the NRA.

**NOW, THEREFORE,**

**THE PEOPLE OF THE CITY OF LOS ANGELES  
DO ORDAIN AS FOLLOWS:**

Section 1. A new Article 26 is added to Chapter 1, Division 10 of the Los Angeles Administrative Code to read as follows:
