REGARDING: ASSESSMENT BALLOT PROCEEDING FOR
SEPULVEDA BOULEVARD AND STRANWOOD AVENUE LIGHTING DISTRICT
COUNCIL FILE NUMBER 18-0900-S49

Honorable Councilmembers:

In accordance with Proposition 218, the City of Los Angeles provided notice to the property owners of the parcels in the proposed Sepulveda Boulevard and Stranwood Avenue Lighting District, as specified in the subject Council File. Along with that notice, each property owner received an assessment ballot weighted by the amount of the parcel's proposed assessment. There were no ballots delivered to my office by the final hearing date of August 8, 2018.

Since no ballots were returned by the final hearing date in this proceeding, the "no" vote did not receive a majority of weighted ballots for the Street Lighting Maintenance Assessment District. As a result, the City may impose the assessments for the annual maintenance and electricity charges for the District. The certified results of the tabulations are attached. I have also forwarded a copy of these results to the Department of Public Works, Bureau of Street Lighting, for their information.

RECOMMENDATIONS FOR COUNCIL ACTION:

1. DENY the protests and confirm the assessments.
2. ADOPT the Ordinance levying the assessments and ordering the maintenance of the lighting system.

Sincerely,

HOLLY L. WOLCOTT
City Clerk
