At its regular meeting held on October 29, 2018, the Budget and Finance Committee considered a draft Ordinance amending the LAAC to establish the Los Angeles City Employee's Retirement System Health Care Fund and to authorize the use of the fund to pay for retiree health and welfare programs, and the accompanying report submitted by the City Attorney.

During consideration, the General Manager of the Los Angeles City Employee's Retirement System (LACERS) and staff addressed the Committee's questions in regards to the current account and the creation of the Los Angeles City Employees' Retirement System Health Care Fund. They stated there are no present downsides to changing from the current account to a newly establish fund to pay for retiree health and welfare programs.

After further consideration, and after providing an opportunity for public comment, the Committee recommended the Council approve the subject Ordinance. This matter is now forwarded to Council for its consideration.
