Concerned Neighbor:

My concern as a neighbor who uses San Vicente East quite frequently is, as I mentioned at that meeting, the speed of the cars coming in that direction meeting a delivery truck coming around the corner or making a wide turn into the parking lot. As well as fast moving cars on San Vicente meeting a line of cars waiting to get into the parking lot.

My concerns about alcohol sales are that irresponsible patrons of alcoholic beverages could make the situation very dangerous if they are driving.

Also, for alcohol addicted individuals it will be a very lucrative block to hang out on (with the Liquor store, Sprouts, Target and Pipp's all selling alcohol) to acquire their alcohol.

We do have at least one "half-way house" within 500 feet on S. Orange Grove near San Vicente and additional local liquor sales could be concerning for people on that block, for the organization there, and for the people who are trying to put their lives together.

Thank you.
