

MOTION

I MOVE that the Council action of March 5, 2019 (C.F. 18-0956), relative to street vacation proceedings for 113th Street and Broadway - VAC-E1401347, BE AMENDED to modify Condition 5(c) set forth in the City Engineer's report dated February 7, 2019, as follows:

Condition 5(c): Dedicate a 10-foot wide strip of land behind said condition (b) area as a public street substantially as shown colored green on Exhibit "B" within the applicant's property along the westerly side of Broadway for the future construction of a 10-foot wide sidewalk.

I FURTHER MOVE that the Bureau of Engineering be authorized to modify the appropriate recommendations, exhibits, and conditions such as the right-of-way area being vacated, the right-of-way area being denied for vacation, sidewalk construction, and the City land to be dedicated as public right-of-way under this vacation approval, as those recommendations, exhibits, and conditions will be based on the required 10-foot wide dedication along the westerly side of Broadway.
