Dear Colleagues,

I support the Cultural Heritage Commission's decision to include Wallace Beery's Hollywood Hideaway located at 947 North Martel Avenue in the list of Historic-Cultural Monuments. The home is a fine example of 1930's Streamline Moderne architecture, and is an architectural asset to the People of Los Angeles.

I'd like to add that the property owner has been cooperative and supportive of the House's inclusion. The owner is looking into potentially donating and relocating the House, which we would support if it is feasible.
