Dear Councilmembers,

I urge you to support the designation of 947 N Martel Ave. as an Historic Cultural Monument.

Located in Hollywood at 947 N Martel Ave, this unique residence was designed by master architectural designer / builder William Kesling for actor Wallace Beery. The home's Streamlined Moderne design reflected Beery's love of aviation. When commissioned in 1936 Wallace Beery was the nation's number-one male box-office draw.

Wallace Beery's Hollywood Hideaway represents important aspects of both Hollywood history and Los Angeles' emergence as a world leader in the 20th-century modern architectural design movement.

Built in 1936, it is the most exuberant examples of Kesling's Streamline Moderne architecture with its hovering pergolas, tile water fountain and clerestory windows.

This HCM designation is supported by the Los Angeles Conservancy, Hollywood Heritage, The Art Deco Society of Los Angeles, our Melrose Hill Neighborhood Association and the West Hollywood Preservation Alliance.

Sincerely,

Edward Villareal Hunt, AIA, ASLA, 40-year Hollywood resident
