Update to a Previous Input: No

Directed To: City Council and Committees

Council File Number: 18-1000

Agenda Date:

Item Number:

Summary: Sunland Tujunga being a predominantly hillside community has been subject to increasingly dense development with ever increasing demands on an aging water and power infrastructure. As such, the Sunland-Tujunga Neighborhood Council supports CF 18-1000 which is asking the DWP to report on the adequacy of and needed upgrades to the water and power infrastructure to meet current and future demands.
