PLUM Committee Item 18-1088. January 15, 2019

RE: DENY Project

Dear Planning and Land Use Committee Members:

There's a Joni Mitchell song and I am probably dating myself by its reference:

"Don't it always seem to go
That you don't know what you've got
'Till it's gone
They paved paradise
And put up a parking lot"

In this case, the existing Crossroads of the World is a "paradise " of affordable housing that numerous people have called home. This neighborhood community will be exchanged for generic replaceable boring, intrusive structures that will remove all sense of livability! Save the historic character of this site and the community it serves, reject the towers.

Thank you
Christine OBrien, Hollywoodland
