

TO CITY CLERK FOR PLACEMENT ON NEXT
REGULAR COUNCIL AGENDA TO BE POSTED #53

MOTION

On November 21, 2018, the Council authorized the Department of Transportation (LADOT) to apply for the Southern California Association of Governments' (SCAG) Future Communities Pilot Program for LADOT's Mobility Data Specification (MDS) project (C.F. 18-1099). SCAG recently awarded LADOT \$500,000, which will be used to fund the City's MDS carshare and shared-ride programs, as well as a vehicle miles traveled reduction analysis. Authorization is needed to establish an appropriation account for the new grant funds.

I THEREFORE MOVE that the Council, subject to the approval of the Mayor, AUTHORIZE the Department of Transportation to receive grant funds in an amount of up to \$500,000 from the Southern California Association of Governments' Future Communities Pilot Program (C.F. 18-1099), deposit said grant funds in The Transportation Grant Fund No. 655/94 and appropriate therein to a new account entitled "Future Communities Pilot Program" for the Department of Transportation's Mobility Data Specification project.

I FURTHER MOVE that the Controller be authorized to make any technical corrections or clarifications to the above instructions in order to effectuate the intent of this motion.
