HOLLYWOODLAND HOMEOWNERS ASSOCIATION

Dear Ms. Morales,

Please include this email in the public file pertaining to Item 18-1120. Thank you.

Dear Honorable Rodriguez, O'Farrell, Buscaino, Ryu and Smith:

Today three property owners and HOA members from Hollywoodland attended the Public Safety meeting and spoke regarding item 2, 18-1120, the motion to assemble a wildlife interface hazard mitigation task force. Our constituents share our concerns and our boots on the ground insight to issues and problems.

We encourage the execution of this motion and urge this committee to include the Hollywoodland Homeowners Association in its task force. Since we have significant documentation, incur a financial burden through our property ownership along with maintenance through fire clearance and expensive fire insurance coverage, we feel we can contribute valuable insight to the task force.

We look forward to being included in this committee's recommendation.
