

**CITY OF LOS ANGELES**  
INTER-DEPARTMENTAL CORRESPONDENCE

Date: November 26, 2018

To: The City Council

From:  Richard H. Llewellyn, Jr., City Administrative Officer

Subject: **AMENDMENT NO. 2 TO MOU 17, THE SUPERVISORY PROFESSIONAL ENGINEERING AND SCIENTIFIC UNIT REPRESENTED BY SEIU LOCAL 721**

**Recommendation**

It is recommended that the City Council adopt the attached Amendment No. 2 to the Supervisory Professional Engineering and Scientific Unit Memorandum of Understanding allowing the negotiated salary adjustment for the classification of Senior Chemist (Class Code 7833) to be effective and operative as of January 7, 2018.

**Summary**

On December 8, 2017, the EERC approved a new salary for the classification of Senior Chemist (Class Code 7830) which SEIU Local 721 negotiated with the Office of the City Administrative Officer in order to align salaries within the Public Works Bureau of Sanitation Waste Water Treatment Laboratory.

**Fiscal Impact**

The estimated additional cost of approximately \$41,000 will be borne by the Public Works Bureau of Sanitation out of existing budgeted funds.
