Hello Sharon,

I want to inform you that we need to extend these case files again to allow us more time to respond. It's taking more time than previously anticipated. Let me know if you have any questions.

Please use this email as our official Letter of Request for a Time Extension

As representative of the owner of the property located at 1888 Lucile and 3627 Landa, I hereby request that we extend the time limit for Council Files 18-1156 and 18-1156-S1 to Friday May 31st to allow us additional time to respond to comments from the appellant.

Please therefore push the PLUM hearing to Tuesday May 21st if possible.

Thanks,

If heard on 4/16 in PLUM, it can be scheduled for Council on 4/24. However, if there are any changes, the turn around for Planning documents will be needed the next day.

Just want to point out that April 26th is a Friday, not a Tuesday. I advised CD 8 to schedule the item on PLUM on Tuesday, April 16th, so City Attorney has time to review applicant's noise study. Let me know if that will be a
