SUBDIVISION IMPROVEMENT AGREEMENT AND CONTRACT

TEN: It is agreed that the SUBDIVIDER has filed or deposited with the CITY a good and sufficient IMPROVEMENT SECURITY in accordance with the provisions of Section 17.08G of the Municipal Code of the CITY, in an amount equal to or greater than the estimated cost of construction and installation of the required improvements and an amount sufficient to act as warranty for said improvements as defined in Article Eight hereof, together with reasonable attorney's fees which may be incurred by the CITY in enforcing the terms and conditions of this contract. IN ADDITION TO the Improvement Security, it is further agreed that the SUBDIVIDER has filed or deposited a good and sufficient PAYMENT SECURITY for labor and materials in an amount not less than fifty (50) percent of the amount of the Improvement Security, to secure the claims to which reference is made in Title 15, commencing with Section 3082, of Part 4 of Division 3 of the Civil Code of the State of California. If the sureties or security on either said Improvement Security or Payment Security, or both, in the opinion of the CITY become insufficient, in any respect, the SUBDIVIDER hereby agrees to furnish sufficient additional security within ten (10) days after receiving notice from the CITY that said extant securities are insufficient.

ELEVEN: It is further understood and agreed, that in the event it is deemed necessary to extend the time for the performance of the work contemplated to be done under this contract, such extensions of time may be granted by the City Engineer or by the BOARD, or both, either at their own option or upon request of the SUBDIVIDER, and such extensions shall in no way affect the validity of this contract, the Subdivision Cash or Negotiable Security Improvement and Warranty Performance Agreement executed in connection herewith or release the Surety on any Surety Bond or Bonds. Such extensions of time may be conditioned upon a construction schedule to be specified by the City Engineer, and/or a revision of the Improvement Security based on revised estimated improvement costs, and/or revision of the plans, profiles and specifications used for the construction and installation of the required improvements to comply with the standards and specifications of the BOARD in effect at the time such extension of time is granted.

TWELVE: The SUBDIVIDER further agrees to maintain the aforesaid Improvement and Payment Security in full force and effect, during the term of this contract, including any extensions of time as may be granted thereto.

THIRTEEN: If the SUBDIVIDER neglects, refuses or fails to prosecute the required work with such diligence as to insure its completion within the time specified herein, or within such extension of said time as may have been granted by the City Engineer or by the BOARD, or both, or if the SUBDIVIDER neglects, refuses or fails to perform satisfactorily any of the provisions of the improvement construction permit, plans and profiles, or specifications, or any other act required under this agreement and contract, the BOARD may declare this agreement and contract in default.

Immediately upon a declaration of default, the Subdivider and Surety shall be liable to City for the cost of construction and installation of the public improvements and for costs and reasonable expense and fees, including reasonable attorneys' fees incurred in enforcing this Agreement and Contract.

A notice of default shall be mailed to the SUBDIVIDER and any Surety and the Board shall cause a demand to be made for payment of any negotiable securities held as Improvement Securities in connection with this Agreement and Contract.
