SUBJECT: REQUEST FOR PAYMENT OF REWARD OFFER (DR NO. 16-0918836)

RECOMMENDED ACTIONS

1. That the Board of Police Commissioners (Board) REVIEW and APPROVE the attached Application for Special Reward Payment.
2. That the Board TRANSMIT to the Mayor and City Council the Application for Special Reward Payment for review and approval.

DISCUSSION

It is requested that a \$25,000 reward be awarded to the claimant in a hit and run case (DR No. 16-09-18836). With the claimant's assistance, John Ray Burns, was positively identified as the hit and run driver and convicted. Attached is the application for the reward.

On October 17, 2016, a severe injury hit and run traffic collision occurred in the parking lot at 15333 Sherman Way. A driver was backing quickly through the parking lot in his grayish blue Audi A8, when he struck and ran over the victim, a 72-year-old female. The suspect fled in his vehicle failing to identify himself and render aid. The victim sustained multiple fractures, internal bleeding, contusions, and lacerations. Multiple videos of the collision were obtained, but the resolution was not clear enough to obtain a license plate number and the witnesses stated the vehicle had paper plates.

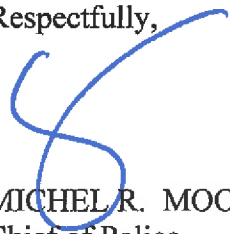

On December 29, 2016, Police Officer II Tanya Edquist, Serial No. 37684, advised that the claimant, who was a victim in human trafficking, advised that, John Ray Burns, committed the hit and run. Edquist stated that Burns' vehicle, a 2006, Audi A8L, grayish blue in color, license plate number 5UST052, was currently at Keystone Tow. It was confirmed that Burns matched the description of the suspect and his vehicle matched the suspect vehicle in this case.

On December 30, 2016, the claimant provided a detailed description of how Burns told her he ran over an elderly Asian woman in a parking lot on Sherman Way and fled the scene. Burns also advised that he tried to change the way he looked in case the police were looking for him. Witnesses who were at scene identified John Ray Burns as the hit and run driver.

Felony hit and run charges were filed against Burns. It was revealed that Burns was in jail pending his human trafficking charges. The claimant testified in both the preliminary hearing as well as the jury trial. Toward the end of the jury trial, Burns took the stand and claimed his brother was driving his vehicle at the time of this collision and his brother looks just like him. The claimant returned to court to respond as a rebuttal witness. The claimant's testimony proved beyond a reasonable doubt that John Ray Burns was the hit and run driver in this case. On March 27, 2018 John Ray Burns was convicted of 20001(a) of the California Vehicle Code, hit and run Felony, by the jury.
