Hey !

So here's my input on some of the items on today's agenda. It was nice to see some of you yesterday :)

I may or may not be able to make it today. (I'm not sure I'll be functioning properly if I do.) I'm sending this at 4:31am with delayed send so that I don't wake you guys up again. (Sorry about that yesterday !)

Hoping you get a good day today :)

### Item 1 - File# 18-0900-S109

**Street lighting districts.** Again, I oppose all of these files until they require publicly accessible, live, omni-directional EMF monitors installed in parallel of new 5G transmitters for public and private enforcement of public and structural health and safety. Responsible 5G. I know we can build better projects.

### Item 3 - File# 18-1068

**Intellectual property infringement prosecution money.** I support this. Without proper protection of the rights to your own work, no work can truly be done.

### Item 5 - File# 14-1174-S58

**Renovate and Repair Lankershim Arts Center.** Yes

### Item 6 - File# 14-1174-S59

**Vineland Walkway and Median Improvements Project.** Yes

### Item 7 - File# 18-1007

**Good Food Zone in South LA to spark economic development.** Double Yes. Let's have an event down there to kick off the grand opening.

Item 8 - File# 18-1231

Item 9 - File# 18-1217

**Hauling Dirt from 11601 Dunstan Way in Brentwood.**

**Hauling Dirt from 619 Westlake Ave.** I oppose these files because 7am is too early to have dump trucks creating mini-earthquakes unless the neighbors are provided with compensation to temporarily relocate while the work is being performed.

### Item 12 - File# 18-0467

**Reforming the Neighborhood Council System.** This sounds good. Lot of good stuff in this. I'm trying to think of some names.

DONE = DNC Department of Neighborhood Councils

Liaison entity that oversees and ensures the connection between neighborhood councils and their representative councilmembers.

Item 14 - File# 04-1672-S1

**Fire suppression requirements in high-rises.** Keep it as an on-going discussion--yes.

Item 15 - File# 18-0245

**Report and Recommendations LAPD and Metro Homelessness/Mental Illness.** Yes.

Item 16 - File# 18-1109

**Enforcement of rules at waste tire facilities.** Yes.

Item 17 - File# 05-1366-S1

**Progress towards zero waste.** YES. Let's keep it going. Let's be one of the first to resolve it.

Item 19 - File# 15-1450-S4

**Return parking meter revenue to locations where it was generated.** I oppose this because a specific percentage is not identified. I say it should be 80% is returned

Item 20 - File# 17-0256

**Report on hate crimes.**

**Feasibility of developing citywide communications tool.**

Yes. I think this is a good idea.

Item 24 - File# 18-0900-S119

Item 25 - File# 18-0900-S120

Item 26 - File# 18-0900-S121

Item 27 - File# 18-0900-S122

Item 28 - File# 18-0900-S123

Item 29 - File# 18-0900-S124

**Lighting Districts. Hearing on 3/20/19.** Sounds good.
