Planning and Land Use Committee Meeting

RE: Art Deco Society of Los Angeles Nomination for the Pico Comedy Club

Dear Members of the Planning and Land-Use Management Committee,

I wanted to let you know that I whole-heartedly support the nomination of landmark status for the Pico Comedy Club as proposed by ADSLA.

As someone who resides adjacent to the Pico Comedy Club, I take great pride in architectural icons such as this building that not only beautify, but also distinguish our working-class neighborhood as an important historic/cultural partner in the wealth of significant Art Deco buildings in Los Angeles.

Thank you for your thoughtful consideration of this nomination.

Sincerely,

Danny Nunez

Dear Council Members:

I am writing to urge you to support the preservation of The Comedy Union as a rare example of small scale Art Deco architecture. Besides being an architectural gem, it is historically meaningful as the first Black owned and operated Comedy Club in Los Angeles, still in business since 2001.

As a member of this diverse and beloved neighborhood, I along with many members of the community take great pleasure and pride in living and working in an environs that offers unique examples--whether they be duplexes or commercial buildings--that give character and beauty to the surroundings.

As a constituent of CD10, I urge PLUM to support the designation of 5040 West Pico Boulevard as a Historic-Cultural Monument.

Thank you.

PETITION TO LANDMARK 5040 West Pico Boulevard as a Historic-Cultural Monument Based on ADSLA Nomination

Dear Members of the Planning and Land-Use Management Committee:

There is widespread community support for the nomination. It is a rare example of small scale Art Deco architecture, a style mostly associated with skyscrapers. • The Cultural Heritage Commission voted unanimously in support of Historic-Cultural Monument designation for this building. Constructed in 1930, The Comedy Union embodies the distinguishing characteristics of the Art Deco architectural style, making it inherently valuable for a study of 1930s architecture in Los Angeles. The Comedy Union is the first Black owned and operated Comedy Club in Los Angeles and has been in business since 2001. I urge PLUM to support this designation.
