Comments for Public Posting: To all the councilmen who needs a lesson on what this delay is causing thousands of RSO home owners.....FINANCIAL HARDSHIP!!!! NOT ABLE TO PAY BILLS, PUT FOOD ON THE TABLE, PAY OUR TAXES(that pays for your salary!).....Honestly, what the heck are you people doing?? You are suppose to help the citizens of Los Angeles, not make them homeless! All you need to do is to delay enforcement until you correct the current ordinance which is causing terrible problems to many many families....We all beg you Council Members to act now so we can survive...You have the power....use it correctly! Because right now we all think this is deliberate and using us as an excuse for the housing shortage or the homeless problem..but we are not at fault! FIX THIS NOW! We cannot wait any longer!
