Comments for Public Posting: It is critical that on July 9th for the hearing this amendment is approved and undated to allow me (RSO Owner occupied home owner) to do short term rental with the same limitations as any other homeowners. Do not deny us the same rights that non RSO homeowners have.. It's unfair for the city to penalize us just because my home was built before 1978. Since this Home Share Ordinance went into effect I have not been able to earn the extra income which I have depended on to help pay my very high medical expenses and help with the mortgage. We are just your normal Mom and Pop homeowners that found a way to subsidize our income. There are so many of us that are financially hurting right now so please do the right thing. Thank you very much !!!
