Comments for Public Posting: Please Please Please allow RSO owner occupied properties to be short term rented! We have struggled for years to finally have a home and without our guest unit on Airbnb we will be homeless. Corporate big guys need to go away not small time families just trying to make ends meet. We support all of our local restaurants and home cleaner so you are supporting all of us with a YES vote today! We are a Hispanic and Woman owned small business and your new supporters. Our lives are in your hands.

Comments for Public Posting: Please. Many homeowners in your own district will be unable to pay their mortgages and property taxes if deprived of the right to utilize their OWN properties to subsidize - respectfully and responsibly. Short term rentals are crucial to maintaining our economy - and keeping families in their homes. Thank you.
