Comments for Public Posting: Thank you for your support on the passage of duplex owner occupy RSO unit. This is great however there are 100's of us that Airbnb will cancel anything that's booked after Nov 30th without a registration number. This will be a significant financial burden for many of us that were depending on that extra income for the holidays. It will also cancel so many guests bookings that are flying in from all over the world. This is horrible that the city can't issue a temporary # until it gets implemented. Please fast tract this so we can breathe a sigh of relief. I wasn't able to sleep last night from worrying. Thanks for listening Steve
