Comments for Public Posting: You are an LA property owner and you feel there should be an ordinance to regulate vacation rentals in non-primary homes. And that they should be legal but restricted as suggested in this amendment. Thank you for your time and attention to this matter.

Comments for Public Posting: I am asking the PLUM Committee to make a recommendation to delay enforcement for small mom and pop hosts (those who have 1 primary and 1 secondary address of any kind RSO, ADU, etc.) while the issues of RSO are being discussed and the Vacation Rental Ordinance is still being crafted. Enforce now on the commercial operators - hosts with MORE than 1 primary and 1 secondary address.
