Council File No: 19-0002-S101

Comments for Public Posting: Even if this is not strictly a City of L.A. issues, it is important to state our views on this cruel and horrific use of dogs. Please support the ban on using live animals in this way in these countries in Southeast Asia. I am very happy to see Councilmember Blumenfield introducing this motion with Councilmember Ryu. It is very important to have a say in this.
