**Comments for Public Posting:** I strongly support the resolution 19-0002-S101 asking the governments of China, Vietnam, South Korea, Cambodia, Thailand, and Indonesia to ban the sale of dog meat and to enforce their animal protection laws. Thank you for working to stop this cruelty! South Korea has very close ties to Los Angeles, as the Los Angeles sister city is Busan. I am so glad that Los Angeles is speaking out against the cruelty of its sister city and other friendship cities in Korea. The horrendous DOG/CAT MEAT TRADE in all countries that engage in this torture and agony of innocent animals MUST END! It is time that the above Asian countries obey their animal protection laws and that those who don't be charged to the fullest extent of their countries' laws, while all those who slaughter animals for meat should be arrested, jailed and fined and all the slaughterhouses be IMMEDIATELY and PERMANENTLY SHUTTERED!

**Comments for Public Posting:** Please help stop the inhuman barbaric cruelty, this is not a tradition!! There must be a law to protect animal welfare, what is happening to these animals must be sheer terror, they are not just killed but tortured alive..We can not continue to sit back and allow such disregard for a life, we must be their voice.
