Comments for Public Posting: I strongly support the resolution 19-0002-S101 asking the governments of China, Vietnam, South Korea, Cambodia, Thailand, and Indonesia to ban the sale of dog meat and to enforce their animal protection laws. Thank you for working to stop this cruelty! South Korea has very close ties to Los Angeles, as the Los Angeles sister city is Busan. I am so glad that Los Angeles is speaking out against the cruelty of its sister city and other friendship cities in Korea. The horrendous DOG/CAT MEAT TRADE in all countries that engage in this torture and agony of innocent animals **MUST END!** It is time that the above Asian countries obey their animal protection laws and that those who don't be charged to the fullest extent of their countries' laws, while all those who slaughter animals for meat should be arrested, jailed and fined and all the slaughterhouses be **IMMEDIATELY** and **PERMANENTLY SHUTTERED!**

Comments for Public Posting: Sostengo con forza la risoluzione 19-0002-S101 che chiede ai governi di Cina, Vietnam, Corea del Sud, Cambogia e Indonesia di vietare la vendita di carne di cane e di far rispettare le loro leggi sulla protezione degli animali. Grazie per aver lavorato per fermare questa crudeltà!
