Summary: Atwater Village Neighborhood Council strongly supports the City Council's pending resolution entitled California Public Schools Funding. The recent LAUSD strike demonstrated the crucial role our public schools play in our community, and as UTLA's demands and LAUSD responses illustrated, adequate funding is a necessary foundation for providing Los Angeles's children with safe, nurturing, engaging places to learn and grow. California's status at the bottom of the educational funding pack is an embarrassment to our state and our leaders. It is time to restore our status as one of the best public education systems in the country, and that starts with adequate funding.
