Summary: Voices NC supports LA City Council's efforts to address the homelessness crisis in our City. We recommend that the resources allocated to the City of Los Angeles under a State of Emergency be based on numbers and need within each council district. Importantly, a State of Emergency on Homelessness should be implemented without infringing on the civil liberties of people who are homeless.

Dear Councilman Curren D. Price Jr.,

The Voices Neighborhood Council on 12/10/2019 voted unanimously to SUPPORT, City Council File 19-0002-S172, a Resolution requesting that the City of Los Angeles include in its 2019-2020 State Legislative Program SUPPORT for action by Governor Gavin Newsom to declare a State of Emergency on Homelessness in the State of California.

Voices NC supports LA City Council's efforts to address the homelessness crisis in our City. We recommend that the resources allocated to the City of Los Angeles under a State of Emergency be based on numbers and need within each council district. Importantly, a State of Emergency on Homelessness should be implemented without infringing on the civil liberties of people who are homeless.

We thank you for your attention to this matter and appreciate your commitment to strengthen our community.

Sincerely,

Steven J. Nieto, MA
