Summary: The Hollywood United Neighborhood Council supports this resolution in support of California AB 36, which would amend the Costa-Hawkins act to allow rent control on residential buildings constructed more than 20 years ago. Rent stabilization in Hollywood ensures that low and fixed income tenants are able to remain in their homes despite increasing market pressures in the neighborhood. The current supply of affordable housing does not meet the neighborhood's needs and legislation such as this bill is needed to prevent further displacement and homelessness.
