Summary: The Atwater Village Neighborhood Council would like to voice our support of Council File 19-0002-S90. This file opposes the Department of Housing and Urban Development's (HUD) proposed rule changes regarding "verification of eligible status." This rule change would evict mixed immigration status families currently receiving HUD assistance. This would jeopardize the housing of 55,000 youths nationwide. No city would be more deeply affected than Los Angeles. Given the homelessness crisis we are facing, we support the council in demanding that HUD not enact this rule change which will only worsen our housing crisis by targeting the most vulnerable.
