SUMMARY

On April 30, 2019, Council considered Resolution (Blumenfield - Buscaino) relative to establishing oversize vehicle parking restrictions along segments of Variel Avenue and Erwin Street. Resolution states there is an increased problem with oversized vehicles parking along the two street segments in the Warner Center area. Oversize vehicles often park overnight, constricting travel lanes and creating dangerous situations. Council referred Resolution to the Transportation Committee for consideration.

At its meeting held June 12, 2019, the Transportation Committee recommended that Council approve the proposed parking restrictions and related LADOT instructions pursuant to Resolution.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
