MOTION

The Street Furniture Revenue Fund provides funds for transit related projects, sidewalk projects, curb I sidewalk improvements, beautification projects needed to improve conditions for public transit patrons, and all expenses relating or incidental thereto, as well as on general services to the community in each Council District.

The Fire Department is coordinating the fabrication and installation of "No Smoking" public safety signs on selected streets in the vicinity of the Hollywood Hills area of Council District Four, utilizing the services of Myers and Sons Hi-Way Safety, Inc., a City contractor.

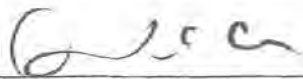

This effort is of special benefit to the residents of the City and CD 4 and deserves financial assistance from the City.

Sufficient funds are available in the Council District 4 portion of the Street Furniture Revenue Fund which could be allocated for this purpose.

I THEREFORE MOVE that \$1,485 in the Council District 4 portion of the Street Furniture Revenue Fund No. 43D Dept. 50 be utilized to pay for the fabrication and installation of eight "No Smoking" public safety signs on selected streets in the vicinity of the Hollywood Hills areas of Council District Four and that the Board of Public Works, Office of Accounting be authorized to make any payment to Myers and Sons Hi-Way Safety, Inc. not exceeding the above amount, for the above purpose, and to prepare and process any other document as may be required for this purpose.

I FURTHER MOVE that the Board of Public Works, Office of Accounting be authorized to make any corrections or clarifications to the above instructions in order to effectuate the intent of this Motion.
