Good afternoon, Mr. White, hope your day is going well.

I wanted to reach out to you to Thank you for reaching back out to me on March 18th, 2019 to really take in any questions and encouragement via phone call around the motion offered on 1-29-19 by Council Members Blumenfield and Harris-Dawson urging the City Council to follow state law and instruct the LAPD to start enforcing a ban on mobile billboard; these "firefly" signs. Moreover, it was great to see that this motion was implemented, it is important to reduce any additional advertisement that can increase promotion of alcohol and drug related harms in the community .

Sincerely,

Adelene Bertha
